

Klondike 2007

Provisions for Each Sled Team

We will not be collecting ramen soup. Each Scout/ Leader/ Adult should bring their own choice of instant soup with container ("Cup of Noodles" or other). We will provide hot water. Each sled is responsible for its own garbage and trash. What you bring in—you must bring out. We do not have adequate facilities to handle all the trash. Do not use the dumpster. We will be charged to dump it.
